

## **CSAT now or never!!! Don't gamble with it!!!**

Civil Services Preliminary Examination - 2020 is roughly 100 days away and it is time to plan for the GS paper II (CSAT paper) as well. Many of the aspirants will put disproportionate time in preparing for GS Paper I without accommodating preparation for CSAT paper. It is wise to keep around 120 hours for CSAT preparation. That will include 60 hours of basics brushup, 30 hours of revision and 30 hours of tests and test discussion. In that pursuit Manifest IAS has come up with a plan which will include 60+ hours of classes and 4 unit tests and 4 Simulated Tests, the time table of which is attached herewith. Make maximum use of this plan and go with full confidence on the afternoon of 31st May, 2020. It will help you to clear other exams like State PSC exams, Banking, SSC etc.,
